Queens Report no report

Aerospace Museum: there has been great improvement in sales and visitors during March, including many school children. New landscaping is in the works. Some displays need to be changed. There is a continuing need for docents at both museums.

20 Mule Team Museum: they have been extremely busy and have been ordering new merchandise for the gift shop.

20 MTD: attendance doubled since the previous meeting. Need more help. Next meeting April 11 at 6:00 PM at K&L.

Old Business: Randy reported that we can get 13 weeks of advertising for \$988 in the Pennysaver. This would be 10 business card sized spaces. We would ask businesses to pitch in \$50 apiece

Monroe reported that all three of our websites are #1 on Google now. He has added some new item on the home page. The Saxon site has had 55 visitors, and the 20 MTM has had 155.

Randy introduced several (about 10) visitors from the Job Skills Training Program at Boron High School. Several of the students stated that they would like to get involved with community activities.
