

Boron Chamber of Commerce Meeting Minutes

June 13, 2005

The meeting was called to order at 7:00PM by President, F. O. Roe.

Reports:

Queens: Ashlyn Bean was in attendance and reported on her events including selling buttons, and tickets to the pageant. She requested donations for the Fair. By consensus, the Chamber will donate \$250 for the Queen's Scholarship.

20 Mule Team Museum: Quieter than usual

Aerospace Museum: Last week business had picked up considerably. The grounds are looking shabby and Hugh requested that Ron LaMoureaux expand his duties to also care for the Aerospace grounds.

James reported that there is another check from the Spaceship1 boosters, but doesn't feel we should accept any more until accounts are settled on merchandise.

Docent problems continue in both museums. F. O. reported that he ran an ad for docents in the Mojave Desert News.

Thanks to Monroe for working out bugs in the upstairs computer. The ones downstairs are supposed to link to NASA.

F. O. reported that the necessary documents from the state are forthcoming, and we seem to be back in good standing.

F. O. recommended that we take the 4th Saturday of the month to clean-up and fix-up, and a committee was formed, with Will Christensen at chair.

The Merchant's Council is working with law enforcement to tear down abandoned houses.

John Kerry was a guest who volunteered to help remove graffiti.

James reported that Kern County will be short 41 million dollars by July 1st, which will affect county services, etc.

F. O. appointed Susan Cunningham to be P. R. representative for Boron.

Meeting ended at 8:10 PM.

Shelley Keller-Gage
Secretary
Boron Chamber of Commerce
